

# ROSSO DEI NOTRI

*Toscana Rosso Indicazione Geografica Tipica*

**Area of production:** Upper Maremma, Colline Metallifere zone

**Designation:** IGT – Indicazione Geografica Tipica – Toscana Rosso

**First vintage:** 2000

**Varieties:** Cabernet Sauvignon, Merlot, Syrah

**Planting density:** 6,000-9,000 vines per hectare

**Training system:** cordon spur and Guyot

**Soil:** markedly clayey with a fairly significant pebble fraction. The higher plots are more pebbly, those lower down have more silt. Mid slope, where Merlot is grown, there is a higher fraction of clay.

**Vineyard management:** integrated pest management

**Average production:** 150,000 bottles

**Harvesting method:** manually in 15-kg cases

**Maturation:** in steel

**Serving temperature:** 16-18 °C

**Formats:** 75-cl bottles in 6-unit cartons; 1.5-l in individual carton case

**Label:** designed by Raffaele De Rosa
